

Planner: Toby Scott - Controller: Martin Crosby

Thank you to Fisher & Paykel for the use of their beautiful grounds for our summerNav event tonight. A very nice evening, with perhaps a bit too much wind but a nice environment. Thanks also to Toby, setting tonight's event from his home in Germany, for giving us lots of route choices. Because the tide was low some (but probably not many) took the short routes through the water.

Next week we are back nearer the middle of the town - Western Springs - on Tuesday - 22 November. We're starting at the Zoo carpark.
